Audrey Cooper, OMSII

Alexis Mocek-Elrod, OMSII

Greetings!

On behalf of the South Carolina Osteopathic Medical Society (SCOMS), it is my pleasure to welcome you to the 2026 SCOMS Winter CME Conference in Hilton Head Island, SC. I am most grateful for your attendance and the continued support you lend to YOUR state medical society.

We are honored to bring together a distinguished group of physicians, researchers, medical students, and healthcare professionals dedicated to advancing medical knowledge, fostering collaboration, and improving patient care.

Through the generous support of Edward Via College of Osteopathic Medicine – Carolinas, sponsors, and exhibitors, SCOMS has designed this year's conference to provide an enriching experience, featuring cutting-edge research presentations, expert-led discussions, hands-on workshops, and networking opportunities. The program reflects the organization's commitment to making South Carolina's Health Our Priority and ensuring that you leave with new insights and practical knowledge to enhance your practice.

I wish to personally thank the 2026 Conference Planning Committee for their dedication to providing a meaningful educational experience. This year's committee was chaired by Dr. Raymond Romano and committee members including Dr. John Gould, Dr. Ryan Hakimi, Dr. Tommy Lindsey, and Dr. Victoria Shadiack. Additional appreciation is extended to Dr. Rianna Kondaveeti, Dr. Jesse Rockmore, and Audrey Cooper, OMSII, for serving on the Poster Presentation Committee. Special thanks is given to Dr. Matthew Cannon and Dr. Eileen Conaway for serving on the Awards and Scholarship Committee.

We encourage you to take full advantage of the sessions, engage with colleagues, celebrate this year's award winners, and explore the innovative solutions presented by our exhibitors. Your participation is what makes this conference a success, and we are grateful for your commitment to lifelong learning and excellence in patient care.

Once again, welcome to the 2026 SCOMS Winter CME Conference. We look forward to an inspiring and productive conference together!

Warm regards,

Tammy E. Whaley
Executive Director

P.S. If you have not yet joined SCOMS, we encourage you to join this weekend! SCOMS works year-round to promote osteopathic medicine across the state, to advocate for legislative issues affecting healthcare, to offer quality CME programs, and to provide networking opportunities for our members.

2026 WINTER CME CONFERENCE - AGENDA

JOIN THE SOUTH CAROLINA OSTEOPATHIC MEDICAL SOCIETY **TODAY!**

What Is SCOMS?

The South Carolina Osteopathic Medical Society (SCOMS) is the voice for osteopathic medicine and the nearly 2,000 practicing Doctors of Osteopathic Medicine (DO) in the state of South Carolina. SCOMS membership is comprised of physicians, fellows, residents, medical students, and associates who have an unwavering passion for the osteopathic profession.

What Is The Purpose of SCOMS?

SCOMS works to build a greater awareness of the osteopathic profession and advocates on behalf of the profession, physicians, medical students, and patients by communicating with government officials and the public to create a better understanding of the profession and improve the professional climate in which we practice.

Benefits of Membership

- **Networking** opportunities to connect with physicians from around the state, VCOM alumni, residents, medical students, and healthcare vendors
- **Advocacy** on behalf of S.C. osteopathic physicians– DO Day on Capitol Hill and DO Day at the South Carolina Capitol
- Access to information and workshops on the evolving **financial needs** of physicians from medical school and training through practice and then into retirement
- **Delegation** representation at the AOA House of Delegates Annual Meeting and Liaison to the South Carolina Medical Association
- **Discount** registration fees for the SCOMS Winter CME Conference, Annual Meeting & CME, online CME learning, **special pricing** on Littman Stethoscopes, and **free access** to CE Broker!
- Opportunities for **research** collaboration and **mentoring**
- **Scholarship & Awards Program:**
 - Physician of the Year Award
 - Resident of the Year Award
 - Student DO of the Year Award
 - \$1,000 SCOMS Student Scholarship
